FREE TALK #1
Hello everyone!
This is Yen-chan and it's my first time making a doujin.
I never thought that screentoning would be so fun so I kinda obsessed with tones~hahaha
It was really hard and new to me, so please forgive me if you find my mistakes (>_<)
I never expected that it would take me about 1 year to complete it (T^T)
I couldn't manage my school work freelance art and doujin at the same time *sigh*
The first story "Switch Body" was done last year in september , so the art is kinda old....
For the second story by Neko-chan who is so pervert xD
Due to her work,as cartoonist,Neko couldn't finish her part so here I arrived to save her (owo)
I hope you will forgive her for it's kind enjoy her pervy story like I had <3
I tried to change my style of drawing in this one
Also everything was done on computer so difficult...I almost die o(x_x)o ~
But in the end the lineart looks much better than the first story which was done traditionally (^v^)
To the guest artists , thank you very much for participing in this doujin.All of you ROCK!!!
I wish one day to be as good as you guys (^A^)
Thank you very much for buying and reading this book! \(^_^)/
And see you soon in another doujin maybe ~
A bientôt! <3

Hi kitties!

First I want to thank you for reading this!
It was my first attempt at doing this
and it was a way more fun than expected *O*
It's a great pleasure for me to draw Sebastian and Ciel
I do really love them!
I have to admit that I prefer drawing the Black Butler *^ part though !!
I'm very lucky to have found such a cute partner in crime as Yuri-chan
I really wanna thank her for her help!
She is as pervy as me but so much more responsible ^^
I'd like to say thank you to our guests for their amazing artworks!!

I really hope you have enjoyed this pervy book!
I tried to do my best it, but I know I still have a long way to go!

Thank you *hugs*
